

European Union High Level Policy Advice Mission to the Republic of Moldova

Terms of Reference Short Term Local Expert

Background

The EU High Level Policy Advisory Mission (EU HLPAM) is a project financed by the European Union and implemented by the UNDP. The objective of the project is to support the Government to implement its EU-integration related reform Agenda and in particular to assist the government in developing the capacities required for the implementation of the Association Agreement, including the Deep and Comprehensive Free Trade Area, as well as the Visa Liberalisation Action Plan. Specifically, the project aims at strengthening the policy-making, strategic planning and policy management capacities of selected line Ministries and State Agencies involved in the implementation of the Association Agreement and Visa Liberalization and at enhancing stakeholders' knowledge and awareness of EU policies, legislation and regulations in sectors strategic to the implementation of the Association Agreement including the Deep and Comprehensive Free Trade Area, and to the implementation of visa liberalization.

As one of the project beneficiaries, the Ministry of Internal Affairs (MIA) is receiving support and policy advice from the EUHLPAM on implementation of institutional and legislative framework for the sector reform, support consolidation of qualitative police services including by promoting modern analytical and operational tools and solutions, building the capacities for other services within the internal affairs system, implementation of upgrading MIA capacity to ensure its role in the rule of law enforcement and implementation of Moldova's Association Agenda with EU.

Ensuring public order, consolidating the rule of law and strengthening the human rights protection in accordance with EU standards are key objectives of MIA. Alignment and harmonization with the EU standards and best practices is ensured within the framework of the EU-Moldova Association Agreement, signed on 27 June 2014 and ratified by the Parliament on 2 July 2014. A "National Action Plan for the implementation of the EU-Moldova Association Agreement" was approved by the Government on 25 June 2014.

Also a Strategic Development Plan (SDP) of the MIA for 2014-2016 was approved in March 2014 and is currently under implementation. The SDP includes concrete objectives and tasks such as: independent and effective HR and training system, modern and efficient standard operating procedures, preventing and combating corruption, protection of personal data, attraction of European funds, reducing the time for response to the complaints of citizens, ensuring qualitative police services offered to citizens, enhancing interoperability, development of an efficient management of migration flows, strengthening integrated border management. Every subordinated department (General Police Inspectorate/GPI, Border Police, the Bureau for Migration and Asylum etc.) developed their own strategic plan derived from the ministerial SDP.

In this framework, one of the issues to be addressed by EUHLPAM is whether the present organization of MIA and GPI at central, but more important at territorial level, is suitable for high performance, ensuring equally qualitative services all over the country.

Therefore, the project is seeking to engage a local short-term expert who will work, in coordination with high level advisers, to identify and propose the most efficient approach to this reform required in order to increase efficiency of MIA and GPI management, regionalisation of service and improve the transparency and exchange of communication (according to bottom-up and top-down approach).
