RfP for provision of business education services in the Transnistrian region of Moldova (RfP12/00528)

Date: 17 May 2012

Question: One of the requirements to apply for the RfP for provision of business education services in Transnistrian region of Moldova (RfP12/00528) is provision of BID/Proposal Security Form. We have checked with the bank, they give these guarantees under the interest rate. Are these costs eligible to be included in the overall project financial proposal?

Answer: Since this is a requirement of the UNDP, these costs should be included in the total budget under "Administrative/Operational Costs" with clear specification of those.
