Clarification Questions and Answers (as of 22/06/2012)

Q1:

We kindly ask you for the clarification on above ToR, as it specify different figures for in-country study visits, and namely:

- p. 16 Deliverables task 2 – 10 visits and below point 2.2. – 6 study visits.

Pls confirm the correct number of visits

A1:

In the text of the Task 2 deliverable figure “10” represent a mistype. The correct number of internal study tours is 6. As result, the Task 2 Deliverable on page 16 of the RfP should be read as follows: *“Task 2 Deliverable: Report of 6 in-country study tours submitted and approved by Women’s Network and JILDIP”*
