Resurse energetice alternative pentru Moldova

RfP for Audit Services Moldova Energy and Biomass Project

RFP14/00756

Questions received between 24-26 February 2014

Answers to online questions:

Q: With reference to the information provided in Data Sheet, DS nr.26, Cross reference C.15.1, and since the provided "Portfolio of clients" has to highlight similar activities, please clarify whether the "Statement of Satisfactory Performance" should also be provided by companies mentioned in the portfolio or should it highlight the Contract Values only disregarding the type of services provided?

A: "Statement of Satisfactory Performance" should be provided from the Top 3 Clients in terms of Contract Value the past 2 years, disregarding the type of services provided.

Q: Does UNDP consider extending the deadline for submission of offers?

A: At the moment, extension of deadline for submission of offers is not envisaged.

Q: The financial proposals should or should not include VAT?

A: Offers must be presented without VAT (VAT rate 0% in accordance with the Moldovan legislation).
