

RfQ14/00873: Design and Printing Services/UN Women

Q.1 JISB Guide provided at local level: On which side should be placed the spiral?

A: The spiral should be placed on the left side of the material.

Q.2 Is the format of the JISB guide for printing vertical or horizontal (landscape)?

A: The format of the JISB guide for printing shall be vertical.

Q.3 Mobile Banner-roll up: Should the price of the product, include the price of the “Carry bag”?

A: Yes, the price should include the price of the “Carry bag”

Q.4 Poster on JISB services for women migrant: Printing will be separately for Romanian and Russian, or both sided?

A. Printing should be made separately for each language: 2000 Romanian, 2000 Russian

Q.5 Business cards: should they be on cardboard, coated paper, artistic paper?

A. The business cards should be on coated paper, mat finish.

Q.6 For the materials which need cutting, should the company provide the knife, or UN Women team will cut the materials?

A. The company should provide the product in final form, including cutting.

Q.7 Do you expect the printing to be done locally in Moldova?

A. The advertised RFQ stipulates that potential bidders should be officially registered entities. The quotation that complies with all of the specifications, requirements and offers the lowest price shall be selected.

Q.8 What do you mean when you say 4+4 and 4+1 colors in regards to printing?

A. These are printing features to express how many ink colors are applied to each side of a printed piece.

Q.9 JISB Guide on services provided at local level: how the number of sheets was established?

A. The number of 98 sheets is approximate, based on the existing guide. This may vary plus/minus 20 % from the initial volume.

Q.10 Can the applicant send offers just for some materials from a certain lot?

A. No. The applicants should submit offers for an entire lot.

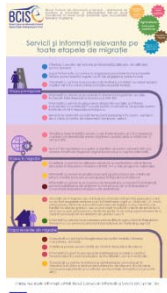

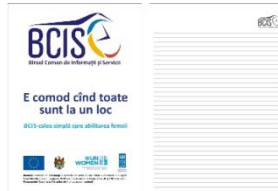

Q.11. Does the quotation and required documents need to be in English and Romanian, or can be in either one of these languages?

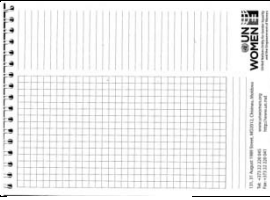

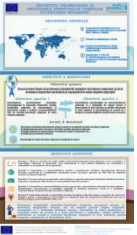

A. The quotation and required documents can be submitted either in English or in Romanian.

Q.12: What should be the format of leaflets, closed format, or open?

A. As per advertised Technical Specifications, the Leaflet should be in closed format.
