

RFP15/01025: Local company/NGO to undertake a policy review and provide recommendation for the development of a State Programme on Women's Entrepreneurship with State funding in the Republic of Moldova (UN Women Moldova Country Office)

Clarification Questions and Answers

(as of 3 July 2015)

Q1.1. Is an international company (not registered in Moldova) eligible to apply for this call? If no, is an international company eligible to be subcontractor to the local company?

Q1.2. Can a foreign organization participate in this tender through a consortium, if main proposer is legally constituted or represented in the procuring country?

A1. A local company may submit a proposal in consortium with another one, this is accepted under this specific Request for Proposals. Consortiums are accepted if a local company is leading (please refer to Annex I: RFP Instructions to Proposers, par. 3.8).

Q2. No amount of funding provided for this tender. This information is important in order to create a budget for the proposed activities of the applicants. Please let us know the amount of funding available for this project and confirm that its duration is July-December 2015?

A2. The evaluation for this particular RfP is a combined one, taken into account both, technical as well as financial proposal. As such, no indication on the amount is to be provided, this being developed based on the technical one, with required resources, including human resources (please refer to Annex I: RFP Instructions to Proposers, par. 3.3-3.4 and Annex III: Evaluation Methodology and Criteria). The duration of work is, indeed, July-December 2015 (please refer to Annex II: Terms of Reference, 'Duration of the Work').
