

**RfQ15/01130: Layout and Printing Services (UN Women/ WMW project):**

**Clarification Questions and Answers**  
(as of 6 November 2015)

**Q.1: “Which is the form of the binding of the materials?”**

A1: The materials from section 1 (ex: JISB Guide, Gender on the Move Manual) will be bind with a spiral according to the technical specification provided. The materials from section 2 will be stitched with two staples symmetrically. The initial size of the paper is A4, after the binding with staples; the size of the final product should be A5.

**Q2: “Which is the final correct delivery date of the products from the sections 1: Printing of promotional materials and knowledge products?”**

A2: The correct delivery date of the products from this section is 20 December 2015. The materials from the second section “Layout and printing of knowledge products” is 30 April 2016.

**Q3: “What is the correct currency, in which the offer should be submitted?”**

A3: The offer should be submitted in MDL.

**Q4: “Will the organization select two companies for each of the lot of materials, or just one company?”**

A4: One and only one supplier will be awarded which is eligible (qualified), technically responsive and offered the lowest price.
