Supply and Installation of biomass heating equipment for didactical purposes RFQ15/01132

Clarifications to queries received by email:

Q: Is there a special form/template for the presentation of Company Profile?

A: No, there is no specific requirement for the Company Profile form.

Q: Contracts with individual households are considered as valid projects for previous experience?

A: Yes, as long as these projects reflect relevant experience in installation of solid biomass burning technologies.

Q: Is there a specific form required for the Written Self-Declaration of not being included in the UN Security Council 1267/1989 list, UN Procurement Division List or other UN Ineligibility List?

A: No. This is a free-form declaration.

Q: We noticed that the BoQs provided in the tender documents do not include the workmanship/labor costs. Should we include the workmanship costs in the overall price of the equipment?

A: No. The workmanship/labor costs should be provided as a best estimate lump-sum price for all the required installation works and reflected in the quotation form (Annex 2), table 1, under item No.2 - Installation and commissioning of equipment in accordance with the schedule of requirements.
